COVID-19 special event details

NACSW is requiring that all attendees adhere to social distancing - maintaining 6' of distance - at all ORTs until further notice even if your jurisdiction has relaxed their requirements or recommendations. Social Distancing requirements at an event are MANDATORY. There is *no option* to mutually consent to be closer together than 6'. Please be respectful that your proximity or request for proximity may make others uncomfortable.

- Please review the document [COVID-19 Event Guidelines](#) that is located in Google docs and was emailed to the membership on 5/8/2020.

In addition to those guidelines the following changes and guidelines are in effect for this event due to COVID-19.

- If you *are not fully vaccinated* (2 weeks after your last vaccination): All attendees (competitors, officials and volunteers) have not been out of state 10 days prior to the event date. If you are from out of state or traveling out of state the week before the event, current CDC and WA state guidelines require that you quarantine in WA state for 7 days if you test COVID negative 3-5 days after your entry to the state. If you do not take a COVID test, you will need to quarantine for 10 days in WA before the event.
- *Fully vaccinated* (2 weeks after your last vaccination): People who are fully vaccinated with an FDA-authorized vaccine can travel safely within the United States.
- All attendees will be required to wear a face mask that covers their nose and mouth at all times when they are outside of their vehicle. This includes but is not limited to using the bathroom, passing through a building and during all searches.
- Competitors are asked to remain in their own vehicle as much as possible.
- No congregating in the parking lot of any type will be allowed. There is no exception for mutual consent.
- Everyone at the event must sign a waiver with the following info:
 - I represent and affirm that to the best of my knowledge and belief: (1) I do not have COVID-19 nor am I waiting for test results; (2) I have not been tested and found positive for COVID-19 or if I have tested positive for COVID-19, I certify that I have been released by government officials and/or health care providers to resume normal activity without limit; (3) I have not during the past 14 days experienced symptoms associated with COVID-19 including fever, coughing, or shortness of breath; and (4) I have not within the past 14 days, to the best of my knowledge and belief, been in contact with or exposed to any known carrier of COVID-19. I agree to follow any specific event guidelines, precautions and requirements to mitigate the possibility of event participants or attendees contracting or spreading COVID-19. I understand the risks of contracting or being exposed to COVID-19 associated with my attendance at this event, and I knowingly accept those risks.
- No spectating will be allowed. Please leave spectators at home. The only exception is for ADA requests submitted in advance.
- When possible, doors will be propped open.
- Hand sanitizer, extra masks and disinfecting wipes will be available to all officials and volunteers.
- Competitors are required to bring their own hand sanitizer, masks and disinfecting wipes.

If there are any changes or updates after the draw period, entrants will be notified via email.

Trial Eligibility and ORTs

An ORT must be taken and passed at least 14 days before a trial opening date to be eligible for the first draw period.

Basic Description of Test

To successfully pass an ORT a dog must identify the location of the target odor and the handler must correctly call an "alert" within a three-minute time period. The Odor Recognition Test consists of a drill type exercise which requires 12 closed boxes set up in a pattern of *one or two* rows, spaced a minimum of 48" apart. The ORT is conducted on leash. Complete information can be obtained on the NACSW™ website.

*All exhibitors should obtain and review a copy of the **NACSW™ K9 NOSE WORK® RULE BOOK**. You may get it from their website: www.NACSW.net*

Results

During the odor re-sets, the official results sheet will be brought out to the parking area for testers to photo or review. We recommend you verify your results on the official results sheet and let your host or judge know if you have any questions regarding your results.

Refund and Cancellation Policy

Cancellations made by Friday, June 18, 8:00 a.m. will be given a refund less a \$5 service fee *per test*. No refunds after June 18, 8:00 a.m.

Entry fees shall not be refunded in the event that a dog is absent, disqualified, or excused by the NACSW™ official or judge

All cancelations must be emailed to letstalkdogs1@gmail.com

This cancellation and refund policy applies to competitors that must withdraw for any reason including but not limited to injury, illness, emergency, and personal or work-related reasons.

If the Odor Recognition Test (ORT) cannot take place or be completed by reason of fire, civil disturbances, an Act of God, public emergency, or any other cause beyond the control of the ORT organizers, then the ORT host will make their best effort to provide partial refunds after recouping their expenses.

Be prepared to keep your dog in your car when not being tested or on leash at all times. There is no inside crating at this test.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not testing and should plan to provide their own shade using canopies or shade cloths.
